FOREWORD

2020 was a challenging year – including for judicial training. The essence of the European Judicial Training Network's (EJTN's) training activities is to build and deepen mutual trust by bringing together judges and prosecutors from all over Europe, to enable them to meet in a protected physical space to discuss legal and other issues face to face. This normality was no longer possible for the majority of 2020. The Covid-19 pandemic brought a sudden end to all cross-border meetings and training activities. However the EJTN and its members reacted quickly. With very few exceptions, EJTN moved all seminars into the virtual space. The high degree of flexibility and strong will of the EJTN's members, trainers, activity coordinators, and participants enabled this move. I would like to thank them all for their tremendous contribution!

The strong will to continue, to stay operational, is the reason why I can proudly present a calendar of training activities for 2021. This calendar is an expression of hope that we can implement most of our activities in the way in which we are used to doing so – in person. It simultaneously provides the flexibility to hold all activities online, as in 2020: all seminars in the first quarter of 2021 will be held in the virtual space as webinars. We shall keep assessing the sanitary developments closely thereafter and go online if necessary. All seminars in 2021 are planned from scratch with an alternative online option.

As usual, the EJTN 2021 offer is designed to address the interests and needs of European judges, prosecutors, judicial trainees and trainers from across Europe regarding training on EU law, the Rule of Law, judgecraft, training methodologies, linguistics and societal issues.

EJTN's activities are the outcome of the cumulative efforts of the EJTN's Members, encompassing all national training institutions from all 27 EU Member States and the Academy of European Law (ERA), with the objective of shaping the future of European judiciaries. They are built on an extensive analysis of

training needs including an evaluation of past events. These needs are expressed by the EJTN's Members, participants of the EJTN's activities, numerous partner organisations, including judicial networks and associations, as well as the European institutions and EU Council Presidencies.

I am grateful to everyone involved in the development and performance of activities: EJTN Member institutions, Working Group Programmes and its four Sub-Working Group members, members of the Working Group Judicial Training Methods and Working Group Linguistics, as well as all their conveners, activity coordinators, experts and project managers of the EJTN Secretariat.

Please find attached an overview of the EJTN's broad range of training activities, as well as information on how, when and where to apply. I encourage everyone to take part in the seminars presented, as well as other training opportunities and to further disseminate information about the EJTN's training activities.

This calendar also presents an increased EJTN e-training offering, the EJTN's database of materials and resources, and an English language self-test. Please note that the EJTN flagship activity, the Exchange Programme, is not presented in this calendar. Likewise, the topics of the recently launched series of lunch webinars will not be found here, as they are planned at short notice as a response to the most recent developments.

Finally, I would like to express my gratitude to the European Commission for its financial support for the EJTN that made it possible to offer such a rich array of judicial training opportunities.

Judge Markus Brückner
EJTN Secretary General

CATALOGUE OF MEMBERS' ACTIVITIES BY DATE

EJTN offers its Calendar of Members' activities promoting various judicial training within the European Union countries, integrating the activities organised by EJTN's judicial institution members.

135 seminars are offered for this new year 2021 by the judicial institutions, as well as those co-financed by the European Union, which are all addressed to European Judges and Prosecutors.

All activities are EU-Law related and touch upon Administrative Law, Civil Law, Criminal Law, and International Law and other topics, such as Forensics, Human Rights, Judicial Skills, Linguistics, Professional Practice, Society Issues and Teaching Methods.

European Judges and Prosecutors can benefit from the EJTN Scholarship Fund, which allows them to participate in training abroad.

LANGUAGE TEST

A NEW ONLINE TOOL FOR CANDIDATES TO ALL EJTN'S TRAINING ACTIVITIES

An online English language level test is now available on the EJTN website:

<https://learning.ejtn.eu/login/>

This allows potential participants to test their knowledge of legal English before applying for EJTN's training and give them an idea of the language level at which they currently are in order to help them choose the right activity.

Interested participants should access the website where they create their own profile in order to start the test.

The test has 50 questions testing grammar and vocabulary. Participants have a time limit of 45 minutes to complete the test. After completing the test, each participant receives a certificate from the system with the level attained. Interested candidates can repeat the test after one year.

The screenshot shows the EJTN website interface for the 'Quick Placement & Diagnostic Test'. The left sidebar contains navigation links: QPDT, Participants, Badges, Competencies, Grades, Home, Dashboard, Calendar, Private files, My courses, and QPDT. The main content area is titled 'Quick Placement & Diagnostic Test' and includes a breadcrumb trail: Home / My courses / QPDT / Test / Quick Placement & Diagnostic Test. The test interface displays 'Question 1' with a status of 'Not yet answered' and a score of 'Marked out of 1.00'. The question is a grammar exercise: 'I _____.' with options: lawyer, practise law, practice, and working. A 'Next page' button is visible. On the right, there is a 'Quiz navigation' grid showing 34 questions, with question 1 currently selected.

The EJTN applies its data protection policy to this test (more information on the data protection policy [here](#)). The result certificates are only sent to the participants. If required by the national institution, the participant may send his or her certificate to the institution by email.
